

Please find the following updates regarding the CCO events:

Location Changes

The new Overhang Club is now located in the CFM Gymnasium. This will be the venue for both the CCO meal and the Fallen Ranger memorial.

Schedule Update

Due to the Gate dedication for Doug Perry at 16:30, the CCO meal will now begin at 17:30 in the gym.

Facility Usage

The cooking crew will use the old Overhang Club as their base of operations. While no official CCO events will take place there, the back deck and firepit will remain open for socializing. We strongly encourage everyone to use the new Overhang Club to support the NCOA and the hard work they have put into this transition.

Parking Areas:

There will be parking in the lot above the gym, in front of the MWR shed, and in the old Overhang parking lot below. Please be considerate and park according to your mobility, and leave the closest parking spaces to the gym for those who have mobility issues. CFM and Mt Zion Church are also open for parking. Please do not attempt to park along the road in order to keep this area open for traffic coming and going.

Timeline: Thursday, April 23:

- 11:00 – 12:00: Cooking area setup
